

European Management & Marine Corporation

Quality Policy Statement

“The goal of European Management & Marine Corporation is to satisfy the statutory and regulatory requirements of its customers by supplying premium lifting, rigging and marine equipment and services to the worldwide Offshore Oil, Gas and Marine industries.

This will be achieved by setting key business objectives and targets and by developing close links with key suppliers and service providers and providing a one-stop service for lifting and marine mooring equipment manufacture, supply, rental, repair, testing and inspection as well as heavy rigging and wire spooling services around the world

The EMM Management team and all EMM Personnel are committed to achieving this goal and the continual improvement of the Management System.”
